## **Vendor Terms and Conditions**

The Northwest Rodarama Rod and Custom reserves the right to refuse exhibit space to sellers of material not deemed conducive to this format. Vendors accepted to the show are advised that selling or offering material deemed offensive/illegal or restricted, openly or "under the table", will render your contract void and you will be expelled from the show.

We attempt to limit the number of competing vendors so that each vendor will receive the maximum sales and advertising benefit from the show. When conflicts or common sales markets are known, we will attempt to locate each vendor such that the proximity to a competitor will not occur.

Booths must be manned throughout the show's hours of operation.

Electrical displays must be approved in advance and coordinated with the show's producer. All lighting must conform to the Uniform Fire Code.

The producer shall have the final authority to determine the location of a vendor's display within the show and the vendor's compliance with aforesaid rules, regulations and policies.

Once the vendor's display and/or vehicle are set up in the show, they shall not be moved, removed or concealed by the vendor prior to the end of the show without permission of the producer. Your booth should be manned throughout the show's hours of operation.
